Free Tax Assistance Helps Denver Residents Claim Their Full Refunds

The Denver Asset Building Coalition (DABC) serves low-income families with free tax preparation services, and we are looking for volunteers for the upcoming tax season. DABC staff and volunteers help individuals receive the Earned Income Tax Credit and Child Tax Credit, important federal tax benefits for lower-wage workers and their families.

DABC's **free training and certification** begins Saturday, November 19th and is offered every Saturday through January 21st. This course prepares volunteers for all tax scenarios they will encounter at DABC. We provide all materials and support, and no accounting experience or education is required to be part of this fun and exciting community of volunteers of all ages and backgrounds.

With locations throughout Denver, Aurora and Jefferson County, and hours of operation in the evenings, weekends and even during the day, DABC has volunteering opportunities that fit anyone's schedule. Please call **(303) 388-7030** for more info, email marissa@denverabc.org, or visit www.denverabc.org.

Volunteering with DABC is a great way to meet new people and get involved in your community in a meaningful way. Volunteers are able to **build their resumes by adding new skills** and job training and experience, and **CPAs can even claim up to 14 CPE hours**.

During the season DABC volunteers are thanked with gift certificates to local restaurants and coffee shops as well, including a **free pizza** from Pizzeria Locale at 6th and Broadway for every person who finishes our training certification, which is our way welcoming you to the neighborhood.

DABC worked with nearly **150 volunteers** during 2016 from backgrounds as diverse as our clients, from retirees to students, from seasoned tax lawyers to single parents looking to gain new skills and meet new people. Come join us and impact your community!

The 2017 tax season begins Saturday, January 28rd at our headquarters at the Mi Casa Resource Center at **360 Acoma Street**. We hope to meet you soon.
